What's hockey without the party? For the past six years, the Thursday evening "Opening Night Team Check In / Reception" presented in part by the Chicago Blackhawks, kicks off the annual tournament to welcome registrants to the #1 AAA Hockey Tournament in the world! Join us to experience what is sure to be the hottest hockey event around. The reception will include VIP Guests, music, open bar and great food! But, more importantly, it puts all the coaches/managers in the context of a great hockey network. The upper level of Seven Bridges Ice Arena (10,000 square feet) will hold our Gala Party for all team coaches and managers for the 408 teams participating. This has proven to be a great opportunity for coaches/managers to take a break from the hustle and bustle of the hockey season to come and enjoy themselves with their peers from across the world. Come for the hockey, stay for the party!
