## COACHING BIO

- I have over 15 years of coaching experience with Drayton Minor Hockey, working with players at various stages of their development from U5 to U15.
- What I enjoy most about coaching is watching how much the kids grow - both as hockey players and as teammates - from the beginning of the season to the end.
- My philosophy is to provide a positive and supportive environment where kids can develop their individual skills while also learning how to be strong, respectful teammates.
