The TimberWolf

TIMBERWOLVES WIN SILVER AT ALLIANCE CHAMPIONSHIPS!

The TimberWolves gave it a tremendous effort on the weekend at the Alliance Championships. They started out strong, beating Stratford 1-0 in their opening game Friday morning, then tying the London Bandits 2-2 in the afternoon. After losing a hard fought, chippy battle with Brantford by a 3-2 score Saturday morning, the TWolves came out flying against London in the semi-final, winning 3-1 and advancing to the championship game Sunday morning.

The TWolves came out determined in the Championship game against the Saints, but the first period ended scoreless with both goalies making some key saves. The second period saw Brantford get on the board first after a scramble in front of the TWolves net. Waterloo quickly responded when Carson Gebauer drove a hard shot through the Brantford goalie. The score remained tied 1-1 at the end of the second period. The TWolves took the lead early in the third when Blake Rendall batted in a Matt Buck pass from behind the net.   After a controversial TWolf penalty, the Saints evened the score on a rebound on a 2 on 1 break.   With the Wolves again short-handed, Brantford took the lead with less than 6 minutes remaining after Fazzari made the initial save on a Saints shot but a Saints forward was there to put the rebound past his outstretched pad. The TWolves applied offensive pressure in the last 4 minutes and had several good chances to even the score but were stymied by the Saints goaltender. The coaches and parents are very proud of the TWolves play and the sportsmanship they showed all weekend! Congratulations to each of the TimberWolves on a fantastic hockey season!
