WOLVES HOUND HAWKS FOR SWEET VICTORY!

The Timber Wolves started their Tier 2 play downs Sunday evening against the Cambridge Hawks. Cambridge came out of the dressing room on fire. Thanks to some stellar goaltending by Ryan DeWolfe, the Wolves weathered the initial onslaught down by just one goal. Carson Gebauer got the Wolves on the board midway through the first after receiving a magnificent pass from a sprawling Ryan Duench. Just a few minutes later, Aaron Jeffrey led a nice rush up the ice and centered a pass into the slot for a nice tip in by Gebauer.

Cambridge managed to even the score on a power play after a Too Many Men penalty when Coach Mike briefly forgot his remedial training for quick line changes that he received in Russia this past summer! The goal didn't affect the Wolves in any way and they kept the pressure on. The Wolves took the lead for good in the second period after Blake Rendall batted in a rebound off a Matt Buck shot. The defense was resilient, keeping the Cambridge

offense to the perimeter and clearing the slot in front of DeWolfe. Ethan Januszkiewicz and Stephen Creswell both had strong games, with some nice rushes up the ice and solid defensive play. Noah Zettler put the Wolves up 4-2 with a superb effort to break through two Cambridge defense and snap a quick shot past the blocker side of the Cambridge net minder. Creswell finished off his fine game with an empty net goal from outside the Cambridge blue line. Awesome effort all Timber Wolves!
