TIMBERWOLVES UNDEFEATED STREAK EXTENDS TO 4 GAMES!

The Timber Wolves kept their 4 game undefeated streak alive with an exciting 5-4 win over the Hamilton Spitfires Saturday afternoon. A chill was in the air as the TimberWolves took to the ice and it took the Wolves a few minutes to warm up their skating legs. Reese Stanley gave the Wolves the lead after digging the puck out of the corner and feeding a centering pass to the slot that deflected off a Spitfire defenseman and into the net. The second period saw the Wolves pounce on their opportunities. Stephen Cresswell intercepted a clearing attempt and fired a hot, low shot past the surprised Spitfires goalie. The Wolves made it 3-0 after a huge face off win by Blake Rendall back to the point. Aaron Steingart shot the puck toward the goal and Rendall tipped the puck to Pascal Prior who wristed a glove side shot past the sprawling Spitfire net minder. Matt Buck made it 4-0 when he tipped an Owen Way pass through the Spitfire defenseman and raced down the left wing and fired a wrister into the net off the glove side post. The Spitfires managed to get one goal back before the end of the second and then were stoned by a goal line glove save by Matt Fazzari. Noah Zettler put the Wolves ahead by 4 again after intercepting the puck in the Spitfire end and

roofing a shot high blocker side. The team then took their foot off the gas in the third period and allowed the Spitfires back into the game with 3 straight goals to make it a nail biting finish! Great work boys to hang onto the win!

PLAYER OF THE GAME

Liam Read protects the TimberWolf net with the same tenacity as another big blue liner, Zedano Chara, Liam's favourite player. Liam was at his best Saturday afternoon, keeping the Spitfire forwards to the outside and clearing the front of the net for his goalie. Liam has a wicked point shot and he's working on matching Chara's slapshot velocity of 108.8 MPH. Liam is a grade 5 student at Northlake Woods. Liam's pre-game fuel is penne with sausage downed with a glass of root beer. He is sure his TimberWolves will go deep into the playoffs, just like his Boston Bruins. When big #77 isn't playing hockey, he likes to read and watch Survivorman and Wipeout. Awesome job keeping those Spitfires at bay today Liam!
