

# Wolf Black Attack

## *Black Attack go 1 and 1 on final weekend heading into playdowns*

The Black Attack started the weekend successfully with a big win against the London Hawks on Saturday. After a scoreless first, Connor Olsen got the Wolves on the board after receiving a nice pass from Owen Fenton. Aidan Brady was quick to put the Wolves up by 2 with the set up going to Colton Tucker and Stephen Cresswell. Spencer Bartels made a glorious glove save in the middle of the period to keep the Black Attack up by 2. The Wolves would go ahead by 3 before the end of the second period when Tucker banged home a loose puck with assists going to Brady and Aaron Jeffrey. The play turned sloppy in the 3<sup>rd</sup> but the Wolves still managed to notch another 4 goals. Owen Fenton scored his first of 2 early in the third after some nice passing from Colin Kim and David Parker. Fenton notched his second goal on a nice shot after a clear feed from Parker. Brady then got his second of the game when he beat the Hawks goalie high after receiving a nice pass from Matt Buck with a second assist to Cresswell. Parker got his first of the game in the last minute with another assist going to Cresswell, his 3<sup>rd</sup> of the game for a 7-0 victory.

It was a quick turnaround for the Wolves with a Sunday morning game in London versus the Nationals. The Nationals came out flying in the first, but were foiled on some great early opportunities by Matthew Fazzari's left pad and glove. The Nationals got on the board first off of a rebound on a 2 on 1. The Wolves were able to tie the score in the 2<sup>nd</sup> when David Parker fired a twine seeking missile into the top right corner of the net. The Nationals would net the winner midway through the third on a wicked one timer top shelf on the power play. The Wolves fate was sealed with a late empty net goal for a 3-1 loss.

**PLAYER PROFILE: #2 Dawson Fielding**  
Dawson Fielding wears jersey #2 for the Black Attack and is known to his mates as Mighty Mouse. You only need to watch his play to know how Dawson earned his nickname. Dawson has no fear and toughs it out in the corner and in front of the net with players double his size! He'll step in front of any shot to block it! Dawson's favourite NHL player is Phil Kessel and its clear the way he speeds down the wing and snaps his quick wrist shot, he's been taking notes on Phil! Dawson gives credit for his toughness to a steady pre-game meal of Sheppard's pie followed by chocolate ice cream.

Dawson is a grade 6 student at Mary Johnston Public School where he loves gym. When not on the ice, Dawson loves to race RC cars, fish and motocross. Congratulations on two great games this weekend Dawson!
