Black Attack skate to a hard earned tie with #1 Stratford

The Black Attack made their way to Stratford on Saturday evening to the historic Allman Arena to battle with the first place Stratford Warriors.

Colton Tucker was still out and the defense was short Stephen Cresswell. Aaron Jeffrey moved up on the wing to take Tuck's spot and the Wolves D were down to 4 for the entire game.

The first period went scoreless, with both teams trading some good scoring chances. The defensive pairings of Cole Schirmmacher & Colin Kim and Ben Hagen & Lukas Marscheutz had a strong game, keeping the speedy Warrior forwards to the outside and tying up those Warrior forwards in front of Fozzy.

The Wolves got on the board early in the second when Cam Young stole the puck from the Stratford D in the corner. Younger powered his way to the front of the net and backhanded a low shot past the Warrior goalie. Stratford tied the game with under a minute left in the second when the Warrior forward was fed a nice pass all alone in front of the net and whipped a shot past Matt Fazzari. In the final frame, the Wolves went ahead early when Connor Olsen found the 5-hole after getting a nice pass from Colin Kim on the blueline. Second assist went to Owen Fenton on the feed to Kim. The Wolves ran into penalty trouble and the Warriors dominated the final frame, finally netting the equalizer late on a long 5 on 3 power play after some great penalty killing and solid goaltending by Fozzy. Great effort on a well-deserved point Black Attack! Next up in the final weekend of the regular season are back to back games with London.

PLAYER PROFILE: #4 Cole Schirmmacher

Cole Schirmmacher proudly wears the #4 Black and Gold jersey for Minor Pee wee Black. Cole, known as Shermey to his teammates, is a mobile defenseman who uses his speed to patrol the blueline and lead rushes up the ice. Shermey is known for his great pinches at the offensive blueline, much like Eric Karlsson of the Ottawa Senators. Shermey's got a wicked slapper that causes many an opposing goalie to flinch! He credits the velocity for his slapshot to a good diet of steak, grilled veges and rice!

Cole is a grade 6 Student at Lester B. Pearson Public School and his favourite subjects are gym and science. Cole loves to go to the cottage in the summer where he can fish, kayak and learn lots of new outdoor things! Cole's favourite group is ACDC and he can often make opposing players and goalies Thunderstruck with his play! Congrats Cole on a great game against Stratford this weekend!
