## WOLVES GO 2 & 2 AT TORONTO AEROS AA TOURNEY

The Black Attack started the tournament against a strong Toronto Aeros team. After the Wolves fell behind early in the first, they battled back to even the score when Ben Hagen made a nice cross ice pass to his D partner Lukas Marschuetz. Mars Bar faked the shot and fed the puck to Aidan Brady, who found the twine with a high glove side shot. After a scoreless 2<sup>nd</sup>, the Black Attack went ahead on a beautiful rush by Aaron Jeffrey, who went end to end and slid the puck past the Aeros goalie as he cut to the front of the net. Strong D kept the Aeros forwards at bay for the remainder of the 3<sup>rd</sup> as the Wolves sealed the win with an empty net goal by Brady with an assist going to Fries.

Game 2 found the Wolves battling with the Westmall Lightning. Spencer Bartels was solid in net for the Black Attack, keeping the Wolves close but the Wolves couldn't find the back of the net and fell to the Bolts 2-0.

The Wolves met the Ted Reeve Thunder in game 3, needing a win to advance to the semi-final on Sunday morning. The Wolves carried much of the play in the first and were rewarded when Matt Buck roofed a backhand into the top of the net passed the surprised Thunder goalie. Assists went to Will Maxwell and Aidan Brady for their hard work behind the net. The 2<sup>nd</sup> and 3<sup>rd</sup> period saw the Thunder put the heat on the Wolves. Colin Kim and Cole Schirmmacher had a strong game, clearing Thunder players and the puck from the front of their goal. The Thunder tied the game on a power play midway through the 3<sup>rd</sup> and with 5 minutes left the Wolves found themselves 2 men short for almost a full 2 minutes. Dawson Fielding had a terrific PK on a 5 on 3, and blocked a number of shots directed at the Wolves goal. Matt Fazzari stood tall

in the net during the Thunder onslaught on the power plays late in the 3<sup>rd</sup>. The Wolves stole the win when Aidan Brady snuck up on a Thunder D and took the puck in all alone and netted the winning goal with 16 seconds left to play in the game.

The Wolves found themselves up against a strong Leaside Flames AA team in the semi final. Despite a gritty effort and strong work ethic, the Wolves were outmatched on this day and lost the game 5-0.

**PLAYER PROFILE: #66 Aidan Brady**

The #66 Black and Gold Jersey is worn by Aidan Brady, AKA BradyBrady to his Black Attack teammates. BradyBrady is a huge fan of Evgeni Malkin of the Pittsburgh Penguins. It's obvious when BradyBrady dangles the puck, crashes the net and sets up his line mates for clear shots that he's watched a lot of Malkin. He sure can find the twine with that wicked Malkin-like wrist shot! Fuel for Aidan's wicked wrister comes from that triple grade A beef his dad feeds him and a steady diet of spaghetti and ice cream.
