

A good coach can change a game. A great coach can change a life.

This emphasizes the profound, long-term effect a truly impactful coach can have on their players.

We look for experienced coaches that can manage all facets of a busy hockey team and season, the commitment is extensive.

The WMHA Rep Committee and Board will make the decisions regarding the coaching positions.

The Rep Committee employs a consensus-building approach to the selection process. Voting takes place as necessary.

Applicants are asked to complete the online form available on our website. Additional emails to committee members are strongly discouraged. The application has a number of detailed questions and you are encouraged to thoughtfully answer each item.

Selecting coaches is a time-consuming endeavor with the committee spending as much time as necessary to find the most qualified and capable individual for a particular team.

All members of a Coaching Staff (Head Coach, Assistant Coach, Trainer, and Manager) must ultimately be approved by the WMHA Board of Directors.

Coach Certification Requirements:

AAA Coaches applying for U10 and U13 teams must have or be willing to acquire a minimum of **D1 certification** (2 day training course).

AAA Coaches applying for U14 or U18 teams must have or be willing to acquire the **HP1 certification** (1 week training course).

All Coaches require their Respect-In-Sport, Gender Identity Course, as well as a current Vulnerable Sector Check/Police Check and Annual OHF Declaration.
